### ELIGIBILITY REQUIREMENTS

- Families with children between the ages of 6 and 18 (by June 1, 2019) are eligible for assistance to attend qualifying Jewish overnight camp in the U.S. or Canada.
- Applicants must reside in the East Bay (Alameda, Contra Costa, Solano, and Napa Counties)
- Requests must be “last resort” funds, supplementing financial assistance provided by the camp, family, and all other possible sources, for families who would otherwise not be able to attend.
- Families may apply for overnight camp financial assistance for one or more children, for up to four (4) weeks for each child.
- Children must be Jewish (as identified by their families)
- Families must contribute at least 10% of the total program cost.
- Financial assistance funds are strictly used for camp tuition and camp-provided bus transportation to and from camp.
- Aid is awarded on the basis of financial need. Applications from families with an annual gross income of \$250,000 or more will not be reviewed UNLESS the family can demonstrate unusual circumstances that explain their request for a scholarship.
